Dedication

The Senior Class of the Elgin High School wishes to dedicate this book to the four persons who have meant so much to us in our high school days.

First there is our Sponsor, "MRS. MAC," who has watched, advised and guided each member of our class in the molding of good citizenship and whose time and effort in our cause has been of immeasurable value. Her years of service in our school will be long remembered.

Our Co-Sponsor, MR. APALA, always a friend to our staff and whose helpful suggestions have aided in making the yearbook an enjoyable publication.

Finally to our class "Ma and Pa," MR. and MRS. CHARLIE McCUNG, who planned and gave so many interesting and memorable social activities which added so much to our school life.

To these four friends, we dedicate "THE OWL OF 1957".

Our sincerest hope is that from the influence of the past, we may receive an inspiration for the years to come.

Appreciation

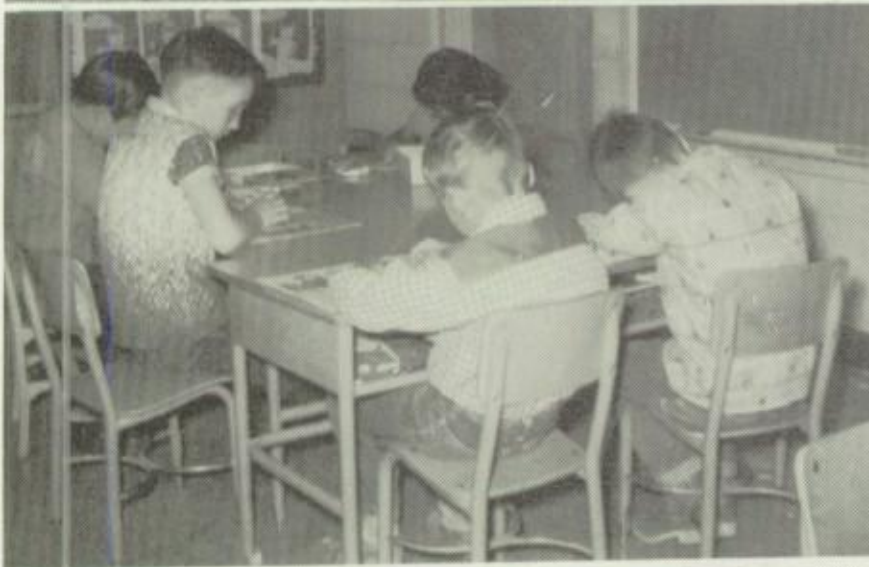

To the man, Dr. Farrar, who in 11 years of service as superintendent, has molded and made the high standards of the Elgin High School, we, the annual staff, offer homage. His guidance, understanding, and good fellowship will be with us for many years to come. We realize this more now that we are leaving and can only say, "We appreciate you more than you will ever know."
